

# VISION- Growth

Multi-family housing (apartments or condos) should be in the City Center, or other areas that already have that kind of land use.

Business development should be in the City Center, or other areas that already have that kind of land use.

Increase single-family homes by adding to existing neighborhoods when possible.

Community & Economic Development

# VISION- Transportation

Encourage mixed-use areas  
(with housing and businesses)  
so people can do errands  
without a car.

Allow new housing to be more  
dense (more houses on an acre)  
to support better bus service.

Make improvements like  
sidewalks, trails, bike lanes, or  
bus pull-outs.

# VISION- Natural Environment

Protect, restore, and enhance the natural environment.

Support the use of renewable resources and renewable energy sources.

Reduce greenhouse emissions.

Make it easier to build in environmentally friendly ways.
